

Courier Contact Numbers

For Japan (BML)

At the beginning of the study, consignment notes for the applicable courier service will be supplied.

Please be sure to only use the Courier Services applicable to your study / location. Sundays and Local Holidays Service is available for limited protocols only. Please ensure the service availability prior to the pick-up request.

- All couriers in Japan need to receive pick up requests by fax and couriers will send the booking confirmation by return fax to the sender.
- For any changes to the original pick up request, couriers need to receive revised pick up request by fax as well as phone-call to verbally specify changes.
