Self-Registration

For Authorized Features Access

In order to access features in Labcorp Link™ eServices, such as Results Search and Resolve Patient Issues, customers must register an account. Self-registration allows you to register yourself in Labcorp Link eServices. While account registration will grant access to most of the features of Link, some features require additional verification.

1. Go to www.LabcorpLink.com.

A Select **Create an Account**.

2. New Account Registration

A Enter your **email address**, which is required.

B Enter your **title**, **first name**, and **last name**, which are required.

C Enter at least one Labcorp **account number** with corresponding **ZIP Code**.

D Select one or more features under **Select Additional Features**.

Self-Registration

3. Verification

A If a client administrator exists for the requested accounts, Labcorp Link will send them a message to approve or deny the request.

User Access

☑ General Access
Key features include: ABN OnDemand, AccuDraw®, Specimen Pickup, Supply Ordering, Test Change Notification and more.

Select Additional features (Verification Required) Learn More

☐ Pay My Client Bill
This feature allows you to securely pay invoices from LabCorp and its subsidiaries. Authorized users can also view and download their current bills due, view bill and payment history, set up a wallet for payments and set up automatic payments for their accounts.

☐ Resolve Patient Issues
This feature provides the ability to electronically address billing issues related to a patient's age, gender, and diagnosis codes.

☑ Results
This feature provides the ability to electronically search, view, print and fax laboratory results. Recent result activity is displayed on the page.

A **Verification Required**

Upon completion of your registration, your request will be sent to the client administrator for your organization. For assistance, contact your client administrator. If you are unsure of your client administrator, contact IT Support at 1-877-442-3226 for assistance.

B If no client administrator exists, you will be instructed to contact your Labcorp representative or call Labcorp Link Support at 1-877-442-3226.

☑ Results
This feature provides the ability to electronically search, view, print and fax laboratory results. Recent result activity is displayed on the page.

B **Verification Required**

Upon completion of your registration, you will have general access to the public features of Labcorp Link. For access to the requested feature(s) requiring verification, please contact your local Labcorp representative or call Link Support at 1-877-442-3226 to complete your request.
