

# Results Search

This feature provides the ability to electronically search, view, print and fax laboratory results.

1. Select the **Results Search** card on the dashboard

2. Search for a result

- A** To search for a result, enter the patient or account information.

**Note:** If your organization is multi-tiered, you have the option to click **Select by Org Structure**, which displays accounts within organizations and sub-organizations.

- B** Select **Advanced Search** for additional options.

- C** Click **Search**.

- D** Click the **Refresh** icon to start a new search.

- E** Click **Fax History** to display recent fax history.

The screenshot shows the Labcorp Link Results Search page. At the top, there's a navigation bar with 'labcorp | Link' and user information. Below that, the 'Results Search' section has a 'Patient Information' section with fields for Last Name, First Name, M.I., Date of Birth, and Patient ID. There's also an 'Account Information' section with a dropdown for 'Accounts' (663 accounts selected), a 'Select By Org Structure' dropdown, and a 'Result Type' dropdown (All). Below these are date range selectors for 'Collection Date' and 'Reported Date', both set to 'From 05/16/2023 To 05/16/2025'. A 'Search' button is on the left, and an 'Advanced Search' link is on the right. A 'Fax History' link is also present. The main content area shows 'Pending & Reported' and 'Orders Received' tabs. Under 'Pending & Reported', there's a 'Patient Search Results' section displaying a table of results. A 'Print' button is located above the table.

	Reported	Collected	Patient Name	D.O.B.	Patient ID	Account #	Accession #	Ordering Provider	Ordered Tests	Status	Actions

## 3. Select a test result

- A** To print results, select one or more items from the list and click **Print**.
- B** If applicable, in the Actions column, click the clock icon to see the status of the order or the test tube icon to add a test to an existing order.

**Note:** Consult the Order Status Tracker or Add-On Test Quick Reference Guide for more information on how these features work.

- C** Click an item in the list to view the **Result Detail**.

## 4. View result details

- A** Navigate to the previous or next result.
- B** View the **Report Status** and the **Order Status**.
- C** Click **View Official Report** to open a PDF of the report.
- D** Print, fax or download official results.  
**Note:** Users with **Resend** permissions can resend clinical results to the Electronic Health Record (EHR) if the report date is less than 10 days old.
- E** Click **View Details** to see Add-On Request Details, if any.
- F** Click the **Add-On Test** button to add a test to the existing order.
- G** Select one or more tests and click **View History** to view a table of result history or click **Graph** to see a graphical view.

The screenshot shows the Labcorp Link Results Search interface. At the top, there is a navigation bar with the Labcorp Link logo, a menu icon, and user information (KnowTIFiMe, Help Center, UN, User Name). Below the navigation bar, the page title is "Results Search" with links for "Cross Account Search" and "Results Search". The breadcrumb trail is "Dashboard > Results Search > Result Detail".

The main content area is divided into several sections:

- Header:** Patient information "Anynone, Patient" with navigation arrows (A). Report Status: Final (B). Order Status: Completed (B). Action buttons: View Official Report (C) and Print (D).
- Order Details:** Accession #: 00000000000, Control #: 000000000, Collection Date: 05/09/2025, Reported Date: 05/13/2025. Account #: 00000000, Ordering Provider: Provider, A, Diagnosis Codes: N20.0, Ordered Tests: Litholink 24Hr Urine [more]. Add-On Requests: View Details (E).
- Results:** Number Selected: 2. View History (G), Graph. Select All, Select Out of Range. Powered By SmartTrends. Add-On Test (F).
- Litholink 24Hr Urine Panel (#910235):** A table with columns: Test, Results, Flag, Units, Reference Interval.

The "Add-On Request Details" modal is open, showing:

- Link Requests:** A table with columns: Request Date, Requested By, Requested Tests, Accession. Row: 00/00/0000, user.name@yopmail.com, 000000 - Urine Culture, 00000000000.
- Requests Outside of Link:** Currently no outside requests. Please call 855-LABCORP (855-522-2677) for any changes to pending requests.
- Close** button.

# Results Search

## 5. View result history

- A** Change the **Collection Date** range and click **Update** to search patient history for different dates.
- B** Click **Print History** to print the result history in PDF format.
- C** Select one or more tests and click **Graph** to see a graphical view of the result history.

The screenshot shows the Labcorp Link Results Search interface. At the top, there's a navigation bar with 'labcorp | Link' logo, 'KnowTiFiMe', 'Help Center', and 'User Name'. Below the navigation bar, the page title is 'Results Search' with links for 'Cross Account Search' and 'Results Search'. A breadcrumb trail reads 'Dashboard > Results Search > Result Detail > Result History'. A 'Print History' button is visible in the top right corner, marked with a purple 'B'. The patient information section shows 'Anyname, Patient', 'DOB: 00/00/0000 (Age 00)', 'Gender: Female', and 'Collection Date' set to 'Last 2 Years'. A purple 'A' is placed over the 'Collection Date' dropdown. Below this, there's a section for 'Number Selected: 2' with a 'Graph' button (marked with a purple 'C') and 'Select All' and 'Select Out of Range' options. The main content is a table titled 'Litholink 24Hr Urine Panel' with columns for 'Test', 'Units', 'Reference Interval', and three dates: '05/09/2025', '11/22/2024', and '10/07/2023'. The table contains two rows of test results: 'Calcium Oxalate Saturation' and 'Calcium, Urine'. A 'Notice' at the bottom states: 'The information displayed on this screen does not constitute the official chartable report of laboratory testing results.'

Test	Units	Reference Interval	05/09/2025	11/22/2024	10/07/2023
Calcium Oxalate Saturation		Various	3.66	3.66	5.41
Calcium, Urine	mg/24 hr	Various	259	162	326

## 6. View Graph

- A** Click **Print History** to print the graph in PDF format.

The screenshot shows the Labcorp Link Results Search interface with a line graph. The navigation bar and breadcrumb trail are the same as in the previous screenshot. The 'Print History' button is now marked with a purple 'A'. The patient information is the same. The 'Graph' button is now active. The graph displays two data series: 'Calcium Oxalate Saturation' (mg/24 hr) and 'Calcium, Urine' (mg/24 hr). The x-axis shows dates from 09/28/2023 to 05/15/2025. The y-axis ranges from 0 to 10.00. The graph shows data points for each of the three dates mentioned in the table above. A 'Notice' at the bottom states: 'The information displayed on this screen does not constitute the official chartable report of laboratory testing results.'

Test	Units	Reference Interval	05/09/2025	11/22/2024	10/07/2023
Calcium Oxalate Saturation		Various	3.66	3.66	5.41
Calcium, Urine	mg/24 hr	Various	259	162	326

For more information, please contact your local Labcorp representative.
