

# Cross Account Search

This feature provides access to a patient’s lab results ordered by other providers outside of your organization. Cross Account Search offers a more comprehensive picture of a patient’s health and helps to reduce duplicate testing.

1. Select the **Cross Account Search** card on the dashboard

2. Search for a patient

- A Enter the patient’s full Last Name and First Name (required fields).
- B Search by the patient’s Date of Birth, State or Both (required field).
- C Enter the **Collection Date** range. The default range is 2 years.
- D Click **Search**.
- E Click the refresh icon to start a new search.

**Note:** You can navigate to Results Search or Results Inbox anytime.

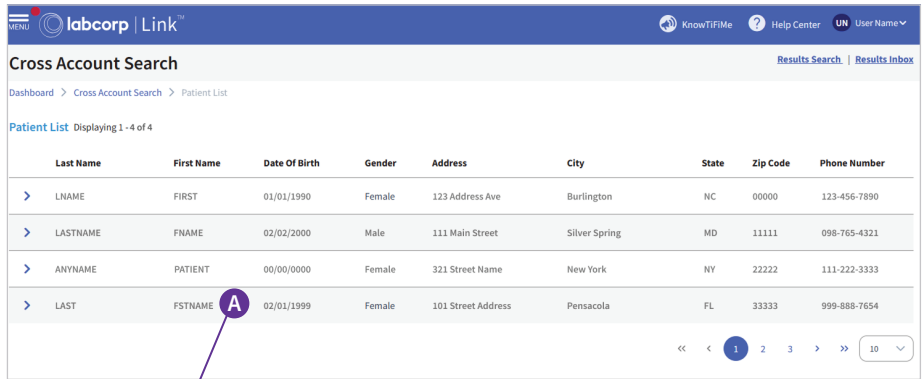

A screenshot of the "Cross Account Search" interface in the Labcorp Link system. The interface includes a header with the Labcorp Link logo and navigation links. The main content area has a breadcrumb trail: "Dashboard > Cross Account Search > Patient List". Below this is a "Search for Patient" section with a refresh icon (labeled E). There are input fields for "Last Name" (containing "name", labeled A) and "First Name". A "Search By" section has radio buttons for "DOB" (selected), "State", and "Both". A "Date Of Birth" field contains "02/12/1977" (labeled B) with a "MM/DD/YYYY" format hint. A "Collection Date" section has "From" and "To" date pickers, with "05/21/2023" and "05/21/2025" respectively (labeled C). A "Search" button (labeled D) is at the bottom. Links for "Results Search" and "Results Inbox" are in the top right.

# Cross Account Search

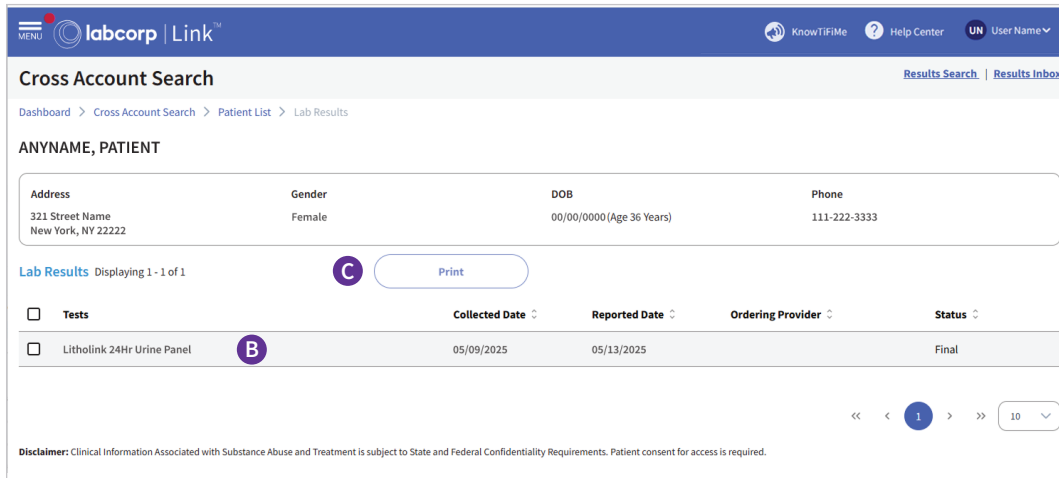

## 3. View a patient's lab results

- A** Select a patient from the **Patient List**.
- B** On the **Lab Results** page, click on a test to view the test details.
- C** Check the box next to one or more lab results to **Print** the official report.

**Note:** For a quick view of the recently ordered tests, expand the patient row.
